Help

It's exciting to think that HPB Lodge is on a unique site in a beautiful part of Auckland. The papers enclosed with this Newsletter will show you how things are, and how you could help to improve them. Please take a relaxed moment to look at them.

We need more librarians to help in the Library during the day, as 3 have recently moved on to other things. Ph Sharn 09 529 5958.

We haven't had many responses to previous calls for volunteers, so if you are holding back, here's your chance. Or tell us your ideas.
