New Zealand Theosophical Society Inc. CONVENTION 2012

Hamilton Lodge Of the Theosophical Society Newsletter for 2011

December and
January Issue

Dear Theosophical Friends,

Our long awaited and eagerly anticipated Convention is almost upon us, and promises to be a time where wider bonds of Theosophy will be formed or rekindled and we can all join in an inspirational sharing of purpose.

Through Windows of the Past, we can be led to the Sacred Portals where we can tap into the knowledge that has survived the changing consciousness of man and is known as Divine Wisdom, Ancient Knowledge or 'Theosophy'.

Whether you can come for the whole Conference or just some of it, no one will be turned away, and we are endeavouring to assist as many as we can, to attend. With World class guest speakers, a stunning venue, good accommodation, a heritage visit to the

Turangawaewae Marae and great entertainment, this event will have something for all.

For financial assistance please contact us to see what can be arranged.
