

Christchurch Earthquake Appeal

Can we help our brothers and sisters in New Zealand?

The TOS in New Zealand has often raised funds for overseas disasters and causes. We have witnessed our own natural disaster in Christchurch this week causing unbelievable destruction to our beautiful city and sorrow to quake weary residents. The impact is being felt far and wide even beyond our shores. Hundreds of lives lost, amputation of limbs, houses crushed, possessions and livelihoods gone!

The TOS is appealing both nationwide and also internationally to anyone who would like to donate funds to help our fellow Kiwis get back on their feet and rebuild a ravaged city to donate to this appeal. Every little bit will help and all money raised will be sent to the New Zealand Red Cross.

We are sending some international TOS and TS organisations this appeal in response to their enquiries about how to help.

You can donate by one of the following ways:

- 1) Send your **cheque** to the **Theosophical Order of Service**
c/- HPB Lodge of the Theosophical Society

- 2) By **Electronic Transfer** to the following account in New Zealand
